African Progress in Cervical Cancer Prevention and the Road Forward
Tuesday, March 20 (English)--Registration deadline: Friday, March 16

Ending Cervical Cancer in Asia: Building on Advances Throughout the Region
Tuesday, March 27 (English)--Registration deadline: Friday, March 23

Global Advances in Screening and Treatment of Cervical Precancer
Wednesday, April 11 (English)--Registration deadline: Monday, April 9

Avances en Detección y Tratamiento de Lesiones Precancerosas del Cuello Uterino en América Latina
Miércoles, 18 abril (Español)--Fecha límite de inscripción: Lunes, 16 Abril

These 90-minute webinars are easily accessible and free of charge anywhere in the world.

African Progress in Cervical Cancer Prevention and the Road Forward **Tuesday, March 20**

90 minutes, beginning at:

06h00 Seattle
09h00 New York
13h00 Dakar
14h00 Geneva
15h00 Johannesburg
16h00 Kampala

Over the past five years, important early progress has been made in the fight against cervical cancer in Africa. These efforts are now gaining speed, offering the opportunity for unprecedented change across the continent. During this 90-minute discussion, regional and international experts will describe the progress made to date in Africa and the road ahead.

As a participant, you will be able to hear and interact with these experts at no charge. Access to the event will be both through the web and free telephone connections. This webinar will be presented in English.

Presenters

- Dr. Vivien Tsu, PhD, MPH, Director, HPV Vaccines Project and Associate Director, Reproductive Health at PATH (Moderator)
- Dr. Mike Chirenge, MD, FRCOG, Professor in the Department of Obstetrics and Gynecology, College of Health Sciences, University of Zimbabwe

- Diane Summers, LLB, MIA, Senior Specialist, Advocacy and Public Policy, External Relations Office, GAVI Alliance
- Honorable Sarah Nyombi, Uganda Women's Health Advocate and former Member of Parliament
- A representative of the World Health Organization

Registration information

Registration deadline: Friday, March 16

Ending Cervical Cancer in Asia: Building on Advances Throughout the Region

Tuesday, March 27

90 minutes, beginning at:

03h00 Seattle
 06h00 New York
 14h00 Geneva
 15h30 New Delhi
 17h00 Hanoi
 18h00 Manila
 21h00 Canberra

With its vast geographic and economic diversity, Asia has both the highest cervical cancer burden and several of the most innovative, large-scale efforts against the disease. During this 90-minute webinar, regional and international experts will discuss the unique challenges and emerging opportunities for ending cervical cancer in Asia.

As a participant you will be able to hear and interact with these experts at no charge. Access to the event will be both through the web and free telephone connections. This webinar will be presented in English.

Panelists

- Scott Wittet, MA, Lead, Advocacy and Communication, Cervical Cancer Prevention Programs, PATH (Moderator)
- Dr. Neerja Bhatla, MBBS, MD, FICOG, All India Institute of Medical Sciences
- Dr. Usha Poli, MBBS, DGO, DNB, Assistant Professor of Obstetrics and Gynecology/Civil Assistant Surgeon, MNJ Institute of Oncology and Regional Cancer Centre
- Dr. Kimberley Fox, MD, MPH, Expanded Programme on Immunization, Western Pacific Regional Office, World Health Organization
- Tania Cernuschi, MSc, Senior Manager, HPV, Policy and Performance, GAVI Alliance
- Dr. Julie Torode, PhD, Deputy CEO and Advocacy and Programmes Director, Union for International Cancer Control

Registration information

Registration deadline: Friday, March 23

Global Advances in Screening and Treatment of Cervical Precancer

Wednesday, April 11

90 minutes, beginning at:

08h00 Seattle
 10h00 Lima
 11h00 New York
 17h00 Geneva
 18h00 Kampala
 20h30 New Delhi

Building on earlier Cervical Cancer webinars, this panel will provide technical updates on early screening and treatment technologies and their global introduction. Designed for policymakers, program planners and clinicians in low-resource settings, panelists will cover the latest information on scale-up of visual inspection/cryotherapy programs, screening using molecular tests, the potential for self-sampling, and establishing effective referral and treatment systems. Global training

opportunities also will be covered.

As a participant you will be able to hear and interact with these experts at no charge. Access to the event will be both through the web and free telephone connections. This webinar will be presented in English.

Presenters

- Julie Torode, PhD, Deputy CEO and Advocacy and Programmes Director, Union for International Cancer Control (Moderator)
- Dr. Dan Murokora, MD, Medical Director, Uganda Women's Health Initiative
- Dr. Usha Poli, MBBS, DGO, DNB, Assistant Professor of Obstetrics & Gynecology/Civil Assistant Surgeon, MNJ Institute of Oncology and Regional Cancer Centre
- Dr. Carlos Santos, Director, Department of Education, Instituto Nacional de Enfermedades Neoplásicas
- Dr. Jose Jeronimo, MD, Senior Advisor for Women's Cancers, PATH
- A representative of the World Health Organization

Registration information

Registration deadline: Monday, April 9

Avances en detección y tratamiento de lesiones precancerosas del cuello uterino en América Latina

Advances in Screening and Treatment of Cervical Precancer in Latin America

Miércoles, 18 de abril

El webinar durará 90 minutos, empezando a:

08h00 Seattle
10h00 México, Perú, Colombia
11h00 Nueva York
17h00 Ginebra

A partir de webinarios anteriores en español sobre el cáncer de cuello uterino, este panel tiene el objetivo de brindar una actualización técnica de tecnologías para detección temprana y tratamiento y su introducción en América Latina. La sesión está diseñada para formuladores de políticas, planificadores de programas y profesionales de clínica en la región. Las y los panelistas cubrirán la información más reciente, incluyendo ampliación de programas de inspección visual/crioterapia, detección mediante el uso de pruebas moleculares, potencial para auto-muestreo y establecimiento de sistemas efectivos de referencia y tratamiento. También se cubrirán oportunidades regionales para capacitación.

Como participante usted podrá escuchar a especialistas e interactuar con estas personas sin costo alguno. El acceso al evento será tanto a través de internet como por medio de conexiones telefónicas gratuitas. Este webinar será presentado en español.

El panel

- Dr. José Jerónimo, MD, Asesor Principal para Cánceres de Mujeres, PATH (Moderador)
- Sra. Silvana Luciani, MHSc, Asesora, Prevención y Control de Enfermedades Crónicas, Área de Vigilancia Sanitaria, Prevención y Control de Enfermedades, Organización Panamericana de la Salud
- Dr. Rufino Luna, MD, MPA, Director para Cánceres de Mujeres, Secretaría de Salud, México
- Dra. Mirella Loustalot, Co-director de Salud Reproductiva, Secretaría de Salud, México
- Dr. Mauricio González, MD, Ginecólogo Oncólogo, Médico Especialista, Clínica de Ginecología Oncológica, Instituto Nacional de Cancerología, Bogotá, Colombia
- Dra. Lucrecia Peinado, MD, Directora de Programa, Unión Internacional Contra el Cáncer

Inscripción

Fecha límite de inscripción: Lunes, 16 Abril
