## **Cervical Cancer Action News Brief | May 2013** *News and views of interest to our community*

### **Reminder to register now: Global Forum on Cervical Cancer Prevention**

Over the last couple of months, Cervical Cancer Action and an outstanding group of international partners have come together to plan the [Global Forum on Cervical Cancer Prevention](#). Together, we have developed an agenda that will allow for inspiring, informative conversations that will translate into real impact on the ground.

Taking place on May 27 in Kuala Lumpur, the forum will bring together participants from more than 50 countries to build momentum around cervical cancer prevention efforts. A number of speakers committed to cervical cancer prevention will share their insights and experiences, including: Dr. Seth Berkley, CEO, GAVI Alliance; Dr. Christine Kaseba-Sata, First Lady, Zambia; Dr. Babatunde Osotimehin, Executive Director, UNFPA; and Genevieve Sambhi, Cervical Cancer Survivor. More information on the meeting sessions is available below.

The meeting will take place the day prior to Women Deliver 2013, a global conference expected to draw thousands of leaders from more than 160 countries around the world. All of them are dedicated to improving the health and well-being of girls and women globally and ensuring that the post-2015 development framework prioritizes these issues.

More information about the [Global Forum on Cervical Cancer Prevention](#) and [Women Deliver](#) is available online.

**What:** Global Forum on Cervical Cancer Prevention

**Where:** Kuala Lumpur Convention Centre, Kuala Lumpur, Malaysia

**Date:** Monday, May 27, 2013

**Registration:** To register, visit the [Global Forum on Cervical Cancer Prevention](#) registration page. Registration is free of cost.

**Webcast:** If you are unable to attend, a [live webcast](#) of the Global Forum on Cervical Cancer Prevention will be available online.

**Sessions:** In addition to the high-level plenaries, three sets of breakout discussion will focus on: How HPV Vaccines Can Turn the Tide; Working with the Media to Catalyze Cervical Cancer Prevention Efforts; Building Champions: Stories from the Frontline; Scaling-Up Commitments to Match Global Need; Integrating Cervical Cancer Prevention and Control with Other Health Interventions; Ensuring Access to Precancer Screening and Treatment; and Concurrent sessions on regionally-specific challenges in cervical cancer prevention in Africa, Asia and Latin America.

**Partner organizations:** The American Cancer Society, AOGIN, AORTIC, Bill & Melinda Gates Foundation, Cervical Cancer Action, Cervical Cancer Free Initiative, Forum of African First Ladies against Breast & Cervical Cancer, FIGO, GAVI Alliance, George W. Bush Institute, GlaxoSmithKline, Global Health Strategies, Global Task Force on Expanded Access to Cancer Care and Control in Developing Countries, Grounds for Health, International Gynecologic Cancer Society, Jhpiego, Malaysian Council for Child Welfare, Management Sciences for Health, Ministry of Health of Malaysia, Ministry of Women, Family and Community Development of Malaysia, National Population and Family Development Board of Malaysia, PATH, Perdana University Graduate School of Medicine, Pink Ribbon Red Ribbon, Princess Nikky Breast and Cervical Cancer Foundation, Union for International Cancer Control, Women Deliver, and YouWeCan.
